Proof of current registration is required prior participation in any tournament or league.
This applies to all teams regardless of age or division.

Review these basic instructions found on this website, then register your team.

Do not list yourself as both a Manager and a Non-player! If you do, the system will charge you twice. We will not refund anyone who incorrectly registers their personal information.

- All teams must register at least 1 Manager or Coach. You may register more if you choose. However, you will not receive your Certificate of Insurance & Registration cards until you've registered at least 1 coach and 9 players.

New for 2011: Claims must be filed within 30 days of the injury.

Individual Player / Coaches Registration Cards will be mailed within 4-5 business days after receipt of payment & paperwork. **Do not lose the cards!** Replacements are expensive.

Rush deliveries are available for an additional \$15.00.
